

PA Homeschool Evaluation Zoom Option

If you would rather have a video call (instead of a phone call) to complete the interview portion of the evaluation process, then here is what you need to do.

- **Download zoom.us** Zoom is completely FREE!
- When it's your evaluation time, enter the meeting ID into zoom and it will connect us. You will be given the meeting ID when you book an evaluation on my website. www.4onemore.com/evaluations
- You might have to grant access to Zoom to use your audio/video.
